Absences

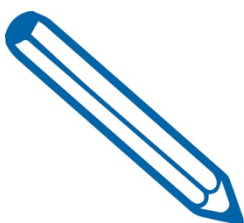

If your child falls ill and cannot attend classes, please call the school secretariat on the same morning. Once your child can return to school, the class teacher requires **a written excuse**. Please use the attached excuse form for this purpose. However, in case of illness on the last day of school before holidays or on the first day back after holidays, a medical certificate must be presented.

Costs for School Expenses

According to a school conference decision, the class teacher collects a sum of €7.50. This money covers the costs for the student ID, a communication diary, and materials for the Technology subject. **Please provide your child with the money preferably in exact change on the first day of school.**

Meal Vouchers

Meal vouchers are obtained by depositing or transferring the purchase price for the meal vouchers to the school's account provided below. To minimize administrative effort, the minimum purchase is 10 meal vouchers. Please note the bank details and use them for further orders. Pre-printed payment slips are also available in the school secretariats.

4,00 € per lunch
(as of 2024)

Should the price for lunch increase, we will inform you immediately. The vouchers are to be treated like cash and remain valid even when your child moves to the main building later. Unfortunately, no replacements can be provided for losses. If you are entitled to citizen's allowance, housing allowance, or child allowance, your child will receive the meal vouchers for free.

Learning Materials for English and Mathematics

The following books must be procured by you (according to school conference decision & the Learning Materials Freedom Act). **Exceptions:**

If you are entitled to full coverage of the costs for learning materials according to SGB XII or SGB II (ALG II), the school will provide the learning materials to your child. For this, it is mandatory that you submit a copy of the currently valid decision. Please submit this decision by no later than 05.07.2024 (either by post or personally in the mailbox -Schönefeld 47- in the break hall). All information provided will be treated confidentially.

If your child has **special educational needs in Learning (LE)** or **Intellectual Development (GE)**, please wait with the acquisition of the English workbook. This will only be done after consultation with the responsible subject and support teachers.
